NATIONAL COMMISSION FOR SCHEDULED TRIBES

File No. TKD/5/2018/MHRD2/DEOTH/RU-III

Minutes of the meeting held by Secretary, National Commission for Scheduled Tribes with Registrar, University of Delhi and General Manager (HR), ONGC on 17.04.2018 at 11.00 a.m. regarding Construction of Hostel for ST students in University of Delhi.

List of Participant is attached:

During the review meeting of University of Delhi held on 21.03.2018, Scheduled Tribe students pursuing different courses had informed the Commission that most of them are from outside Delhi and they are facing an acute problem in studying in Delhi due to severe accommodation shortage in Delhi University and are compelled to stay outside as paying guest on rent and thereby incurring heavy expenditure and inconvenience.

2. It was decided in the meeting that if University of Delhi provide space for construction of hostel building for ST students, Commission will take up the matter with one of the CPSUs for providing financial assistance through their CSR funds for construction of hostels building. In this regard, a letter was received in the Commission from Registrar of University of Delhi informing that they have identified a piece of land for the construction of hostel in Dakha (North Campus). It was in this background that the Commission fixed this meeting with Director(HR), ONGC Ltd.to discuss the issue further.

3. Secretary, NCST said that the Commission has noted that ONGC is spending its funds under CSR for providing amenities for weaker sections of the society. If ONGC spends from its CSR funds for construction of hostel for ST students, it will be a very good initiative to support them in their higher studies. He urged ONGC to take further steps for construction of the proposed hostel for ST students, as proposed by University of Delhi, in partnership with Delhi University.

4. The Registrar, University of Delhi informed that the proposed hostel will have approximately 200 rooms with 400 seats and the estimated cost of the project as per CPWD norms shall be Rs.23.52 Crores. This project will help tribal student in building their bright future.
5. General Manager (HR) and Head of CSR, ONGC opined that this is a very good proposal and assured that ONGC will try to support the project. He advised University of Delhi to submit complete layout plan for the hostel building to CMD, ONGC as well as a copy to Secretary, NCST for their approval. Any project worth Rs.1 crore and above will have to be placed before the Board of Directors of ONGC for approval.
6. Secretary, NCST advised Registrar, University of Delhi to prepare layout plan alongwith full expenditure details and submit to CMD, ONGC immediately, so that they can place the proposal of the project before the Board of Directors. University of Delhi will ensure that the building is energy efficient, that the rooms of the hostel are spacious and there is also provision for Wi-Fi, indoor games and common room /sitting space on each floor.
7. Registrar, University of Delhi and General Manager (HR) ONGC, agreed to the above advice and assured to take further action as per the above discussion in the meeting.

The Meeting ended with vote of thanks.

Minutes of the meeting held by Secretary, National Commission for Scheduled Tribes with Registrar, University of Delhi and General Manager (HR), ONGC on 17.04.2018 at 11.00 a.m. regarding Construction of Hostel for ST students in University of Delhi.
