1.3 In this school science stream is also available. Eklavya Model School generally have 6th Standard and upto 12th Std. The result of the school in last three years was good. In 10th Std result was 100% and of 12th Std it was 80%. Few students qualified for NEET also. During visit of the school it was found that the 25 acre of land requires compound wall otherwise there are chances of illegal encroachment in the area. Land is available but staff quarters and Boys and Girls Hostels are also required which should be sanctioned by the tribal affairs department of the State. Plan should be put up so that grant can be released.

1.4 Students were happy and comfortable in the atmosphere provided by the school. Uniform, Books, Food everything was made available to them regularly.

1.5 Being a very big area available sport complex should be started. Students can get chance for sports at District, State, National Level if facility provided to them. In Khel Mahakumbh last year this school has very nice performance, it has received cheque of 1.5 lacs.
