

**TOUR REPORT FOR THE PERIOD FROM
17-9-2011 TO 21-9-2011**

I started my tour to Udaipur District in the State of Rajasthan on 17.9.2011 to hold meeting with tribal leaders and students of Mohal Lal Sukharia University.

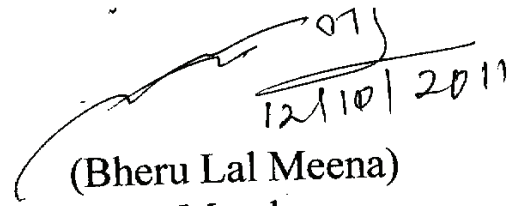

I attended the meeting organized by tribal delegates at Rishavdev District Udaipur. The Delegates highlighted some of their problems being faced at the place of their employment at marble mines. I assured them to hold the meeting with the employers to sort out their problems.

I also met tribal labour delegates at Udaipur. I was apprised of about the various problems being faced by tribal labourers at the place of their employment. I assured them to hold a meeting with their employers who are contractor of various mines. I contacted some of the contractors on the spot from my mobil. I directed the contractors to sort out the problems of the tribal labours before I hold meeting with the respective contractor on my next visit to the areas in the next of month after festivals.

I visited Mohan Lal Sukharia University, Udaipur on 20-9-2011 to hold meeting with tribal students but on reaching their I found that no information of my

programme was communicated to the University. I held meeting with the officials of the University and advised them to arrange meeting with tribal students in the next month after festival well in advance.

On completion of my tour I came back to Delhi on 21-9-2011. The report is submitted for your kind perusal and necessary action.
