

**TOUR REPORT FOR THE PERIOD FROM 7-7-2011 TO
10-7-2011**

I started my tour to Udaipur District in the State of Rajasthan and Ambaji District Baraskanta in the State of Gujarat on 7-7-2011.

I visited Ambaji district Banaskanta Gujarat and met tribal delegates and tribal labour leaders and discussed about the problems being faced by them at the place of their residence and employment. They highlighted their problem regarding ration card, drinking water, electricity and education of children etc.

Tribal Leaders also discussed difficulties being faced by tribal labours at their place of employment. I assured them to take-up their issues with the appropriate authorities to sort-out the same on priority basis.

I also met district officials and highlighted the problems of tribals of the areas. I also brought to their knowledge the declining standard of education which requires to be promoted reasonably. The district officials assured me to take appropriate steps to sort-out the problems of the tribal areas and to do more tribal development work.

On completion of my tour, I came back to Delhi.

The report is submitted for your kind perusal and necessary action.
